Guideline for your Application

Admission

Admission Requirements

For a successful application for the Mannheim Master in Management Analytics you need to have:

- A first degree
- First work experience
- Fluency in English
- Current employment
- Company support

Admission Process

The admission process consists of four steps:

1. Submission of the application package

Fill out the application form and send it, within the admission period, together with the other required documents and the application video to Mannheim Business School.

2. Application Review

Once your application has been received, it will be reviewed by the Admissions Committee. You will receive a confirmation of receipt within to weeks.

3. Invitation to the Selection Interview

Present yourself in a personal or web-based interview with the Admissions Manager. An admissions decision will be made by the Admissions Committee based on the evaluation of your application package and the selection interview.

4. Admission

After a successful admission process, you will receive the admission notification and contract (via DocuSign).

Admission Period & Tuition

The current tuition is €29,000. We offer two early-bird discounts for the Mannheim Master in Management Analytics (Part-Time) in connection with two admission rounds for the intake 2023.

Your complete application package, including your application fee payment, is due at the latest at 6 p.m. CET on the deadline date for the round in which you apply, but of course can be handed in at any time before the due date. Admission to the program is granted on a rolling basis.

Admission Round	Application Deadline	Early-Bird Discount	Payable Tuition
Round 1	May 31, 2022	€2,500	€26,500
Round 2	September 30, 2022	€1,500	€27,500
Round 3	from September 30, 2022, onwards	no reduction	€29,000

Do not rush your application, but there are some advantages to applying in either round 1 or 2, such as early access to a secure spot on the program and enough preparation time.

English Language Proficiency

Proof of appropriate English language skills can be provided by:

- a) TOEFL (Test of English as a Foreign Language) or TOEFL iBT (Internet-Based Test) with a score of at least 85.
 - b) IELTS (International English Language Testing System) Academic Test with at least volume 6.5.
 - c) TOEIC (Test of English for International Communication) with a score of at least 845.
 - d) A CAE (Certificate in Advanced English) or a CPE (Certificate of Proficiency in English) with at least level C can also be accepted.
 - e) A successfully completed course of study of 2 years or more, during which at least half of the ECTS credit points had English as the language of instruction and examination or an English language University Entrance Qualification.
- The results must not be more than five years old at the time of the closing date for applications.

First Degree

Please include the Certificate, Diploma and Transcript of Records of your first degree, e.g. your Bachelor's Degree. If you have an additional degree, such as a Master's Degree, please also include these documents.

Confirmation of Work Experience & Current Employment

Applicants must provide evidence of first professional experience and current employment. A corresponding reference from the employer must be enclosed with the application package, e.g. the employment contract, a letter from the employer and/or a job description.

Company Support Form

Since the Mannheim Master in Management Analytics has a modular part-time format and is a time-intensive professional development program, ensuring company support from the beginning is a critical element in determining a candidate's potential for success. Therefore, please include a signed company support form in your application package.

Application Video

Please present yourself in a two-minute video and explain your views on digital transformation in your company and how this Master's program will contribute to it. In addition, please explain in two more minutes in your video, why you think data is so important in today's business world.
Please submit your video via WeTransfer.

Application Fee (non-refundable)

Please transfer € 99 to the following MBS account:
Landesbank Baden-Württemberg
IBAN: DE12 6005 0101 7496 5044 81
BIC: SOLADEST

Data protection information and declaration of consent

When you apply for an MBS study program, we record your personal data (e.g., from your cover letter, résumé, references, application form, interviews, etc.) in our applicant tracking system for the duration of the application process.

MBS collects, processes (in particular stores) and uses this data to contact you in the event of acceptance or, in the event of an initial rejection, to inform you that a place has become available or to seamlessly proceed with the application process should another study program at MBS come into question. If you are accepted for an MBS study program, this data shall continue to be stored for the duration of that program. In addition, MBS shares your data with the University of Mannheim for the purpose of the academic supervision of MBS study programs.

Personal data that is no longer required for these purposes is deleted or blocked, provided that there are no legal retention or storage obligations. In the event that you terminate the application process prematurely or are not accepted for the MBS study program, all personal data, with the exception of information on your acceptance, rejection or withdrawal of your application, shall be deleted.

Applicant data is stored on our file server, located on MBS and University premises. Application documents are also stored in the CRM system "Salesforce", in a data center located in Germany. In addition, MBS uses "Google Apps for Education" as well as products of the Microsoft Office 365 Suite (EU) for various purposes in the admissions process. It cannot be completely excluded that such personal data will also be stored on servers located outside the EU.

Personal data may only be processed and used where permitted by law or subject to the consent of the person concerned. With regard to the procedures described above, it is permitted to collect, store, transmit and use your personal data to the extent described in Article 6(1)(b) General Data Protection Regulation (GDPR). By signing, you confirm that you are aware of these data processing purposes.

In addition, we intend to store your personal data in the manner described for a maximum period of 12 months after termination of the application process. In this case, we require your consent, since there is no legal obligation for this storage. By signing this document, you also give such consent. By way of precaution, we would like to stress that your consent is voluntary, and refusal will have no effect on your chances in the application process. You may therefore refuse to give your consent without stating any reasons, and without having to be concerned about repercussions. You may revoke your consent in writing at any time in the future. Revoking or refusing consent does not affect the scope of the data processing permitted or stipulated by the GDPR or other legal provisions.

Should you have any questions about data protection and how MBS deals with personal data, please contact our data protection officer at: datenschutz@mannheim-business-school.com, Mannheim Business School, L5, 6, 68131, Germany
