Instructions to Referee

- The person named above has applied to the Mannheim Master of Applied Data Science & Measurement at Mannheim Business School and nominated you as his or her referee. It would be of considerable help in assessing this candidate's suitability for the program, if you would fill in the information requested below.
- Mannheim Business School is Germany's leading business school and admits high-caliber candidates with the talent and potential to pursue a career in data science. We recruit motivated and committed individuals from all over the world and deliberately select participants from a wide range of academic, cultural, and professional backgrounds. As part of our admissions process we consider each candidate's intellectual ability, previous work experience, and profound interest in data and survey science. Other key criteria are: personal motivation, self-discipline, online communication skills, language skills, and the ability to successfully work in international teams.

01 How long have you known the candidate? In what context (nature and frequency of contact)?

02 Please describe the personality of the candidate.

03 Please evaluate the candidate on the following criteria:

	Outstanding (top 10 %)	Excellent (top 25 %)	Good (top 50 %)	Average (bottom 25 %)	Below average (bottom 10 %)	No information
