

# Two letters. A thousand new opportunities. A promising future.

## Senior Project Manager (m/w/d) at Volkswagen Consulting

### Your work environment

Based in Wolfsburg, Germany, and Beijing, China, Volkswagen Consulting is the internal management consultancy of Europe's largest automotive manufacturer. We consult our clients along the entire value chain and shape the most relevant topics. The broad project portfolio guarantees job variety and offers unique career opportunities – and all of that in a very cooperative and trusting environment.

### Your tasks

- Leading several client- or sub-projects regarding strategic, operational and organizational development of the Volkswagen Group and its brands, in close collaboration with Volkswagen Management
- Development of new and forward-looking ideas
- Acquisition of new projects and identification of potential follow-up projects
- Further development of Volkswagen Consulting by leading internal initiatives or projects
- Coaching, motivating and further developing junior colleagues

### Your qualifications

- Master's degree in engineering, business administration or a similar subject
- At least 4 years of work experience in a top management consultancy or similarly demanding line function
- Excellent language skills in English and German (Only for German office)
- Distinct project management skills

### You bring along the following soft skills

- Distinguished analytical skills
- Confident appearance
- Willingness to make decisions
- Assertiveness and persuasiveness
- Precise and structured communication skills

Kick off your career with us and apply at [www.volkswagen-consulting.de](http://www.volkswagen-consulting.de)
