When you apply for an MBS study program, we record your personal data (e.g., from your cover letter, résumé, references, application form, interviews, etc.) in our applicant tracking system for the duration of the application process.

MBS collects, processes (in particular stores) and uses this data to contact you in the event of acceptance or, in the event of an initial rejection, to inform you that a place has become available or to seamlessly proceed with the application process should another study program at MBS come into question. If you are accepted for an MBS study program, this data shall continue to be stored for the duration of that program. In addition, MBS shares your data with the University of Mannheim for the purpose of the academic supervision of MBS study programs.

Personal data that is no longer required for these purposes is deleted or blocked, provided that there are no legal retention or storage obligations. In the event that you terminate the application process prematurely or are not accepted for the MBS study program, all personal data, with the exception of information on your acceptance, rejection or withdrawal of your application, shall be deleted.

Applicant data is stored on our file server, located on MBS and University premises. Application documents are also stored in the CRM system "Salesforce", in a data center located in Germany. In addition, MBS uses "Google Apps for Education" as well as products of the Microsoft Office 365 Suite (EU) for various purposes in the admissions process. It cannot be completely excluded that such personal data will also be stored on servers located outside the EU.

Personal data may only be processed and used where permitted by law or subject to the consent of the person concerned. With regard to the procedures described above, it is permitted to collect, store, transmit and use your personal data to the extent described in Article 6(1)(b) General Data Protection Regulation (GDPR). By signing, you confirm that you are aware of these data processing purposes.

In addition, we intend to store your personal data in the manner described for a maximum period of 12 months after termination of the application process. In this case, we require your consent, since there is no legal obligation for this storage. By signing this document, you also give such consent. By way of precaution, we would like to stress that your consent is voluntary, and refusal will have no effect on your chances in the application process. You may therefore refuse to give your consent without stating any reasons, and without having to be concerned about repercussions. You may revoke your consent in writing at any time in the future.
